CODICI CONSOLIDATI

PART NUMBERS FOR CONSOLIDATIONS

Abbiamo studiato per Voi e i Vostri clienti un modo per risparmiare soldi e spazio nel Vostro magazzino: l'unificazione dei giunti!

Siamo ora orgogliosi di proporVi alcuni nuovi riferimenti che consolidano due o più giunti.

Per qualche mese sulle scatole dei nuovi riferimenti unificati stamperemo anche i codici vecchi, in modo da facilitare il collegamento.

We have studied for you and your customers a way to save money and space in your warehouse: the unification of c.v. joints!

We are now very proud to offer you the following new items which are a consolidation of two or more different joints.

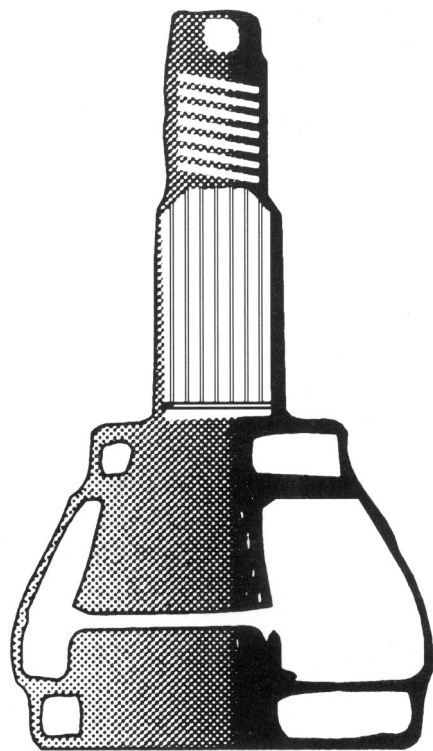

For some months the boxes with the new part numbers will be marked with both the new and the old numbers, to help you in identifying them in your stock.
